Union School History

Our Union School, the first centralized school in Van Wert County, was completed in 1916. In 1936 an addition of a combined auditorium and gymnasium was made.

During the past several years many improvements have been made which make our school one of the nicest looking schools in the county.

In the years following the building of our school, over four hundred and fifty students have received their diplomas from Union and about one hundred and twenty teachers have been employed here.

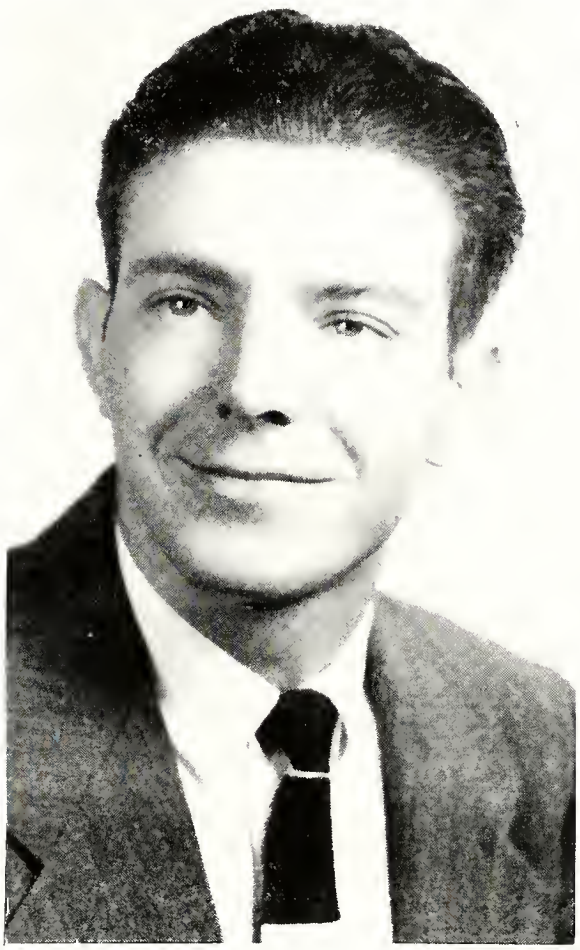
Out of this number of graduates many have gone on to become doctors, nurses, teachers, engineers, specialists, stenographers, preachers and incumbents of many other positions. A great number of them fought, and some died for our country during World War II.

Indeed, we can be proud of our school!

Foreword

This annual, the first since 1942, is a farewell gift from the class of '52. We, of the staff, hope it will be a treasured souvenir in the later years and renew old and dear memories of the school days.

The Editor



Dedication

To Mr. Dangler, our sponsor, we, the class of '52 dedicate this annual. Without his understanding guidance and untiring effort, we would have found the task of reviving the school annual quite impossible.

12 Years Together

CLASS COLORS: Green and Silver
CLASS MOTTO: "Not Finished; Just Begun"

In September, 1940, twelve young students began the "Greatest Show of their Lives", their educational career at Union School. Through the years that followed, we lost more students than we gained so that when we entered high school we had but six members.

In the first main act, we played the role of freshmen. We thought we were quite the thing, but the sophomores quickly stopped this idea with an initiation party.

As sophomores, in the second act, we gradually began to gain prestige by having several parties and a "Penny Carnival".

Our junior year found us playing understudies to the main actors, the seniors, but we still managed to take part in more and different activities. We displayed our dramatic ability by presenting the play "Have A Heart". When we returned to school after Christmas vacation, we found a surprise awaiting us. Our class rings had arrived! On May 5th we sponsored the Junior-Senior Banquet, which was held at the Y.M.C.A. in Fort Wayne, Indiana. For the entertainment afterward, we went to the Civic Theater and saw the stage production of "Harvey".

September, 1951, found us in the fourth act, starring as seniors. We were approaching the threshold of the greatest step of our lives . . . graduation. We managed to make the best of this year of school with several parties, a play, the Community Institute, and the publishing of an annual, the first since 1942. The grand finale of twelve wonderful years of school will be a class trip.

FRIEND

We have been friends together
In fair or stormy weather,
  At work and at our play.
And now amid our gladness
There comes a thought of sadness,
  For we must part to-day.

Deep in our recollection
We'll keep a strong affection
  For Alma Mater's name.
May we in deed and story
Add luster to her glory,
  And never dim her fame.

When we are gray and weary
And bowed with sorrows dreary,
  As busy years go by,
Our smiles will all grow brighter,
Our hearts be gayer, lighter,
  At thought of UNION High.

Junior Class

The Juniors began the year with fourteen members. The elected officers are as follows:

President	Max Hoaglin
Vice President	Rosalyn Fisher
Secretary and Treasurer	Evelyn Girod
Reporter	Dorothy Miller
Student Council	Regina Pierce
Advisor	Mrs. Foster

It's said that the junior and senior years of school are the busiest, but if the seniors were as busy as we juniors this year, they had something on us.

As was traditional, we juniors had the concessions at the basketball gamees and sold Christmas cards. This we enjoyed doing because the money we earned will help pay for our class trip at the end of our senior year. We also sold magazines with the fifth, sixth, seventh, and eighth grades. Since the juniors did the bookwork, we received a larger per cent of the profits.

The juniors and seniors took several interesting and educational field trips. The places we visited were: The Van Wert Times-Bulletin office, the International Harvester plant in Fort Wayne, and the Lima Hospital for the criminally insane.

On April 6, the juniors and seniors of all the high schools in the county attended the annual vocational guidance course in Van Wert. The annual county music festival was held on April 29, at the Hoaglin-Jackson school.

The junior and senior prom was held on May 16, at the Fort Wayne Y.M.C.A. with the juniors decorating and planning the program. At the Baccalaureate and Commencement services the juniors will escort the seniors to their place of honor.

We were sorry to lose one of our pupils, Ellen Jean Schaadt, at the end of the school year. Although she will be gone, we will never forget her.

In closing we will say, "See you next year when we are seniors", and to Mrs. Foster we would like to express our thanks for sticking by us this year. We appreciated it very much.

Advisor	Mr. Harris

We initiated the freshmen on the 25th of September. That evening we took them for a hayride. In November we received our class rings of which we were very proud.

To raise money we sold Auto Emblem Plates, held a bake sale, February 9th, at Goodsell's Wallpaper and Paint Store, and on March 21, we sponsored the annual Sophomore Penny Carnival. Donna Barry and Trevor Jones were elected to represent our class in the King and Queen contest at the Carnival.

During the year we held several skating parties. All of us are looking forward to being Juniors.

Y-Teen Club

The Union Y-Teen Club was organized in 1948 with Mrs. Lucile Hepperly as the advisor and Wilma Lou Purk as president. Since that time our club has grown in membership until it includes all the girls in the high school. Last year we tied with the Wren Club for top club honors.

The Y-Teens is more than just a get together for girls; it is a very worthwhile organization. Since it is a part of the Y.W.C.A., all Y-Teen members have access to the "Y" facilities and are included in most of the activities, such as membership drives, banquets, and the regional and national conferences. Last year our club was honored by having one of our members Joann Imler, chosen to represent the County Y-Teens at the regional conference held in Chicago.

The clubs are judged by a set of standards established by the Y.W.C.A., and they are given points for the ones they fullfill. Each year the clubs have a number of projects and they are given credit for these. A bake sale, going Christmas caroling, fixing Sunshine and Valentine boxes, and selling taffy have been some of our projects this year.

Each club keeps a record of the year's activities in the form of a scrap book. At the end of the year, these books are handed into the "Y" and are judged by the Y-Teen director and a committee. Our club hopes to do even better this year than last year.

Cheerleaders

This year the four cheerleaders Mary Lou Stuckey, Rosalyn Fisher, Evelyn Eaken, and Joann Imler and their mascot, Cynthia Harris, enthusiastically led the crowd in cheering for our team. In their sparkling purple and white uniforms they introduced several new and different yells to the fans.

Few people realize what an influence crowd spirit has on a team, but it can often mean the difference between winning and losing a game.

The girls tried to do their best and they would like to thank the Union fans for the support that was given, it meant a lot to the Wildcats.

Basketball

The Union Wildcats suffered a dismal basketball season. Under the new coach, Mr. Richard Harris, the "Cats" installed a new system, turning from the run and go game, to a more slow and deliberate form of ball.

The team lost three first stringers by graduation in 1951. The first five composed of John Taylor and John Trimble, forwards; Trevor Jones, center; and Joe Roth and Jim Clark, guards. In the early part of the season Max Hoaglin also saw a lot of action. Rex Roth, John Myers, and Harold Wortman, freshmen, played often in the role of substitutes.

Ohio City came out league champs without losing a contest. Wren, Willshire, and Hoaglin-Jackson tied for second. Union won only one league contest to tie for the cellar with Ridge and York. Next year the Wildcats will have eleven of the tourney twelve reporting for the '52-'53 season.

Baseball

The Union Wildcats organized a baseball team for the first time in three years. The team played six games in the fall and have scheduled three for this spring with the possibility of two or three more.

A record of 4 wins with 2 losses was compiled this fall making a 4-1 record in the league for second place. Three wins this spring will give the "Cats" a share in the league championship.

Trevor Jones pitched some very good ball and several others sparked the Union team to their fine record.

AYERS CAN mount the throne, it will be five years that a Van Wert boxer has been lightweight king. Donnie Bechtol held it two years and "Rock" Thomas preceded Bechtol for a two-year span.

Johnson will have to win a semi-final bout before getting a crack at the featherweight title. He is paired with Sonny Brown of Fort Wayne, John McQuown of Auburn and Ernie DeFavis of Baer Field. Brown is favored since he is more experienced then the other boxers and he is last year's bantam champ.

Geology-Minded Couple

CEDAR RAPIDS, Iowa—(AP)—A young Cedar Rapids couple will soon be awarded doctorate degrees at the University of Minnesota—dividends of three summers spent in a joint geologic study in the Colorado Rockies.

Ralph Langenheim, assistant professor of geology at Coe College, near here, and his wife, Jean, went over 200 square miles of Colorado mountain country with the scientific version of a fine-tooth comb. Ralph studied rock formations while his wife worked on plant distribution for their Ph. D projects. The two started the studies on their honeymoon in 1946.

Basketball

The Union Wildcats suffered a dismal basketball season. Under the new coach, Mr. Richard Harris, the "Cats" installed a new system, turning from the run and go game, to a more slow and deliberate form of ball.

The team lost three first stringers by graduation in 1951. The first five composed of John Taylor and John Trimble, forwards; Trevor Jones, center; and Joe Roth and Jim Clark, guards. In the early part of the season Max Hoaglin also saw a lot of action. Rex Roth, John Myers, and Harold Wortman, freshmen, played often in the role of substitutes.

Ohio City came out league champs without losing a contest. Wren, Willshire, and Hoaglin-Jackson tied for second. Union won only one league contest to tie for the cellar with Ridge and York. Next year the Wildcats will have eleven of the tourney twelve reporting for the '52-'53 season.
